

PUBLIC NOTICE

The Baltimore City Department of Public Works is accepting public review and comments for a request a Stormwater Management Administrative Waiver for Sanitary Contract No. 856 – Improvements to the Herring Run Interceptors Phase 2 – From Argonne Drive to City / County Line.

Notice is hereby given that the public is invited to comment on the request by Baltimore City Department of Public Works (DPW), Bureau of Water and Wastewater, Water and Wastewater Engineering Division, 305 Abel Wolman Municipal Building, 200 North Holliday Street, Baltimore, MD 21202 for a Stormwater Management (SWM) Administrative Waiver for Sanitary Contract No. 856. Comments related to this request must be received by 5:00 p.m. on Wednesday, July 7, 2010 to ensure consideration by the Department.

The Baltimore City Department of Public Works is proposing improvements to the existing Herring Run Interceptors sanitary sewer collection system consisting of approximately 28,200 linear feet of 18" – 33" Cured-in-Place Pipe (CIPP) sanitary sewer lining, rehabilitation / sealing of approximately 125 manholes, and various system improvements. The work also includes installing crusher-run access roads, bypass pumping, reforestation, stream restoration, and maintenance of traffic.

In order to meet the 2010 Baltimore City SWM Ordinance requirements for the proposed improvements, waivers for stormwater management water quantity and quality control are requested. Water quantity and quality control waivers are requested since the project creates no impervious areas and the project runoff is minimized by the forested areas surrounding the site.

All notices regarding future actions of the Department on the project will be posted on the City's website.

Report

A copy of the Stormwater Management report may be obtained by calling and making a request to the Department of Water and Wastewater main number: (410) 396-3428, or by visiting the office during normal business hours:

City of Baltimore Department of Water and Wastewater
200 N. Holliday Street, Rm. 305
Baltimore, Maryland 21202

Waiver, Comment or Questions

Notice regarding future actions on this will be posted.
